Grade 2 Earth and Its Place in the Universe . The student will investigate the structure of the universe. D. Recognize that there are innumerable stars in the nighttime sky that vary in brightness, color, and location.

Science Online Earth and Universe

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
