

### **a textbook of historiography pdf**

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

### **Historiography - Wikipedia**

The historiography of the British Empire refers to the studies, sources, critical methods and interpretations used by scholars to develop a history of Britain's empire. Historians and their ideas are the focus here; specific lands and historical dates and episodes are covered in the article on the British Empire. Scholars have long studied the Empire, looking at the causes for its formation ...
