A World Undone: The Story of the Great War, 1914 to 1918

A World Undone is the devastating story of The Great War, the history of which I only cursorily knew until now. This is not an exhaustive work, but one for the general reader to understand the social forces, individuals, and ideas that made the war possible.

A World Undone: The Story of the Great War, 1914 to 1918

"A World Undone is an original and very readable account of one of the most significant and often misunderstood events of the last century. With an historians eye for clear headed analysis and a storytellers talent for detail and narrative, G.J Meyer presents a compelling account of the blunders that produced the world's first "great war" and set the stage for many of the tragic events that ...
