

empire how britain made pdf

The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...

List of British Consular Officials in the Ottoman Empire

The British Empire Exhibition, held in 1924 and 1925, assembled the member nations of the empire to develop imperial trade connections and to cultivate closer political ties between Britain and her territories.
