You™ll experience coaching first-hand to clarify your own personal and professional goals, apply communicational skills into everyday life, and gain true insight into what it really takes to create change.

Holistic Life Coach & Mind-Body Practitioner

How alternative treatments "work": a) Misinterpreted natural course – the individual gets better without treatment. b) Placebo effect or false treatment effect – an individual receives "alternative therapy" and is convinced it will help. The conviction makes them more likely to get better. c) Nocebo effect – an individual is convinced that standard treatment will not work, and that ...
