Glad to have met Shri Motilal Koirala of Sikkim. His efforts towards enhancing academic level through the use of IT are commendable. As the Principal of his school, his extensive outreach to parents and guardians are appreciable and augurs well for the students.

Government of India, Ministry of Human Resource Development

A resource is a source or supply from which a benefit is produced. Resources can broadly be classified upon their availability—they are classified into renewable and non-renewable resources. They can also be classified as actual and potential on the basis of level of development and use, on the basis of origin they can be classified as biotic and abiotic, and on the basis of their ...

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...
