Communalism is a term used in South Asia to denote attempts to construct religious or ethnic identity, incite strife between people identified as different communities, and to stimulate communal violence between those groups. It derives from history, differences in beliefs, and tensions between the communities. The term communalism was constructed by the British colonial authorities as it ...

9.4.1. Computer Assisted Assessment (CAA): Computer-assisted assessment refers to the use of computers to assess students learning and performance. Computer-assisted assessment is a term that covers all forms of assessments, whether summative or formative, delivered with the help of computers. This covers both assessments delivered on computer, either online or offline, and those that are ...
